Yes sir, thank you! I'll contact you when I have something in your area! We typically do all of our Zoom Depos in house, just for reference, so any work I will have will more than likely be in person jobs.

Thank you,

No, I'm not working with Trey. He has moved on to something else, but we have remained friends. I've known him for 20 years but it's a rather tense situation. Such is life.

Walter, thank you for sending this to me. I have got you all entered into our system. Also, I just need to ask, since you were previously affiliated with Austin Legal Video, are you still working with Trey Perez?

Thank you,

Good Morning Barbra,

Sorry for the slight delay, it's been a busy week.

Attached is the company W-9, below are the rates. The rates are pretty much the same as prior to the pandemic, let me know if this is acceptable.

~In Person Depositions - \$85 per hour, 3 hour minimum, 30 minute setup.

~Zoom Depositions - \$65 per hour, no setup fee. We have the ability to provide "break-out rooms" and can handle documents and exhibits when provided before the depositions.

We are working on setting up Picture in Picture depositions again, I'll let you know once we are ready for that. I'll give you a rate when the time comes.

Thank you and we look forward to working with you the new year!

Walt

Hey Walt!

Nothing that you necessarily need to be concerned about. Just a string of unfortunate discussions where he wasn't the most professional to me personally, and then some other information that a client made us aware of, which I am under strict confidentiality on that particular incident, unable to say much more. Those things coupled together was enough for management to put into affect that he was no longer a "preferred" videographer for our company.

Thank you,

I was thinking about it over the weekend and I'm curious. What happened with Trey Perez that makes you so concerned? Is there something I should know?

Thanks,
Walt
